Plaintiff Mark Principe, by and through his attorneys, The Sultz Law Group, P.C., and Rosenberg Fortuna & Laitman, LLP hereby moves this court to permit him to file a Memorandum of Law in Support of his Motion for Class Certification on Friday, December 22, 2017, that exceeds the twenty-five page limit by ten (10) pages.

The reason for this request is to properly provide the Court with sufficient authority from various states with respect to Plaintiff's FRCP 23(b)(3) predominance and manageability arguments.

Counsel has attempted but has been unable to reach defendants' counsel to determine their position on this request.

We thank the court for its consideration in this matter.

Dated: December 20, 2017
